OF THE

St. Francis Xavier Academy

This institution, first opened in 1846 on Wabash avenue near Madison street, and removed to Wabash avenue and Twenty-ninth street in 1873, is now, since 1901, located in "Xavier Park," between Forty-ninth and Fiftieth streets, two blocks west of Drexel boulevard.

The building is of brick, with stone trimmings. It is spacious, well ventilated, and perfectly equipped for educational purposes.

By its charter, obtained February 27, 1847, The St. Francis Xavier Academy enjoys all the rights and privileges of the finest institutions in the country.

Providence has marvelously blessed the institution in regard to health, to which parents and guardians who have patronized the Academy during the past years can give testimony.

The scholastic year is divided into two sessions of five months each, the first session commencing on the Tuesday after the first Monday in September, the second on the 1st of February. A vacation of about two weeks is given at Christmas, during which time the pupils are permitted to visit their parents. If residents of the city they may go home once a month, always on Friday preceding the first Sunday of the month.

Wednesday and Sunday are visiting days for parents, relatives or friends; visits on other days must prove detrimental to pupils, since study is necessarily interrupted thereby. The

hours on Wednesdays for visitors are from 3:30 to 4:30 p. m. On Sundays from 2:30 to 4:30 p. m.

No young lady is accessible to callers during study or recitation hours, except in extraordinary cases.

The correspondence of young ladies is, at all times, subject to the supervision of the Directress.

Each pupil is required to write home every week.

Pupils may enter at any time during the year, but they are never permitted to leave school just before the close of the year. No deduction is made for the first or last two weeks of a term, nor for absence, except in case of protracted illness.

Parents and guardians may rest assured that every attention consistent with the spirit of mild, but firm government is paid to the comfort of the young ladies placed at the Academy, while the greatest care is taken to nourish in their minds those principles of virtue and religion which alone can render education profitable. No undue influence is exercised over the religious opinions of non-Catholic pupils; however, for the sake of order, all are required to conform to the external discipline of the institution. References are required before the admission of pupils.

As the progress of young ladies, as well as their promotion, depends, in a great measure, on their regular attendance at school, they should be encouraged to be present at every session, unless illness prevents.

No eatables may be brought or sent to pupils nor shall they be permitted to retain any with which they are supplied when they return after their visits. This rule must be strictly observed and should food of any kind be found with the pupils, it will be disposed of by the Mistress of discipline as she deems proper.

Academic Honors

Graduate medals and diplomas are conferred on those who take the entire Academic Course.

Bi-monthly reports of scholarship and deportment are forwarded to parents and guardians.

Pupils who reach an average of 90 per cent in their daily recitations are not obliged to take bi-monthly examinations.

Pupils who stand 80 per cent or over in every study during the year are dispensed from the annual examinations.

Wardrobe

Uniforms—For week days, NAVY blue serge. Waists of lawn of the same shade, may be worn during the warm weather.

Black hair ribbons, belt and tie.

For Sunday—Plain black. White hair ribbons and tie.

No trimming, colored stitching or binding, allowed on either uniform.

Goods may be obtained and uniforms made at a reasonable price in our Dressmaking Department.

Pupils are deprived of credits for non-compliance with rule regarding uniforms. Uniforms are required on the day on which school opens. Special credits are given for compliance with this rule.

Two veils are required for the Chapel, a black net and a white wash blonde. All must bring a good supply of plain, neat clothing, suitable for each season, MARKED WITH NAME IN FULL. A bath robe, toilet articles, six towels, four table-napkins, a knife, fork and spoon, napkin ring, rug, spread, one comforter, materials for sewing, a small lock box, writing materials and postage stamps, a calico apron, reaching from the neck to the end of the skirt; a heavy cloak or cape with hood attached for winter. Long-sleeved and high-necked night dresses are required; pajamas are strictly prohibited.
